

# Winter 2023 Newsletter

Wow! We are wrapping up our first semester of classes here at LMBI and what an experience it has been! We are so encouraged by how the Lord has used us this past season and we are just as eager looking forward at the things to come. To stay connected with our future plans and development, you can always check in with us at [lakemichiganbible.org](http://lakemichiganbible.org).

This past semester, we offered three classes: Christianity & Culture, New Testament Survey Part I, and a Study on the Book of James. If any of these topics sound interesting to you, it's not too late! All three classes are offered online as recorded sessions and you can work at your own pace.

We will be offering three in-person classes again this semester. Winter classes will include New Testament Survey Part II, How We Got the Bible, and Overview of the Book of Psalms - which I am very excited for! These classes will also have an online option that you'll be able to complete either during the semester or at a later point in time at your own pace. You can apply and register for classes online at our website if you haven't yet already. Keep in mind registration ends December 21st. We're looking forward to seeing you in our classrooms!

With Christmas arriving soon, I'd like to take a moment and share one of my favorite scriptures to meditate on in our season of anticipation leading up to the celebration of the birth of Jesus. Luke 1:77-79 is part of Zechariah's prophecy spoken over John the Baptist. His prophecy carries hope of a coming Messiah and testifies to the faithful of God and His great plan for His people.

"You will tell his people how to find salvation through forgiveness of their sins. Because of God's tender mercy, the morning light from heaven is about to break upon us, to give light to those who sit in darkness and in the shadow of death, and to guide us to the path of peace." (NLT)

Praise God for His fulfilled promise! Thank Him that the morning light from heaven has indeed broken upon us! How wonderful that salvation is brought through forgiveness of sins. It is a truth that needs no embellishment because it is already so beautifully adorned. Amen!

Grace and Peace,
